

CHAPTER FOURTEEN

GOVERNMENT PROCUREMENT

Article 14.1: Objectives

The Parties affirm their interest in further expanding bilateral trading opportunities in each Party's government procurement market.

Article 14.2: Existing Rights and Obligations

1. The Parties affirm their rights and obligations under the GPA.
2. This Chapter is not to be construed to derogate from any rights or obligations of the Parties under the GPA.

Article 14.3: Scope

1. This Chapter incorporates by reference the rights and obligations as listed in the Annex to the WTO Protocol Amending the GPA (hereinafter referred to as the "revised GPA"), with the exception of Articles V and XVIII through XXII. These rights and obligations apply *mutatis mutandis* to the procurement covered by Annexes 14-A through 14-G.
2. For the purpose of promoting consistency with the revised GPA, should further revisions be made to the revised GPA that affect the rights and obligations that are incorporated into this Agreement pursuant to paragraph 1, the revisions shall be incorporated in this Agreement, except as agreed by the Parties pursuant to the amendment procedure referred to in Article 23.2 (Amendments).

Article 14.4: Modifications and Rectifications

1. A Party shall notify the other Party of a proposed rectification of Annex 14-A, withdrawal of an entity from Annex 14-A, or other modification of Annex 14-A (hereinafter referred to as the “modification”). The Party proposing the modification (hereinafter referred to as the “modifying Party”) shall include in the notification:

- (a) for a proposed withdrawal of an entity from Annex 14-A in the exercise of its rights on the grounds that government control or influence over the entity’s covered procurement has been effectively eliminated, evidence that such government control or influence has been effectively eliminated; or
- (b) for any other proposed modification, information as to the likely consequences of the change for the mutually agreed coverage provided under this Chapter.

2. If the other Party objects to the proposed modification, it shall notify the modifying Party of its objection within 30 days of the notification of the proposed modification and include the reasons for its objection.

3. The Parties shall seek to resolve any objection through consultations. In such consultations, the Parties shall consider the proposed modification and, in the case of a notification pursuant to paragraph 1(b), any claim for compensatory adjustments, with a view to maintaining a balance of rights and obligations and a comparable level of mutually agreed coverage provided in this Chapter prior to such notification.

4. If a Party proposes a modification pursuant to paragraph 1(b), the modifying Party shall offer to the other Party appropriate compensatory adjustments, if such adjustments are necessary to maintain a level of coverage comparable to that which existed prior to the modification. Such modification shall become effective if the other Party does not notify the modifying Party of any objection to the proposed modification within 30 days of the notification. A Party need not provide compensatory adjustments if the Parties agree that the proposed modification covers a procuring entity over which a Party has effectively eliminated its control or influence over the entity’s covered procurement.

5. The Commission shall adopt a proposed modification only when the other Party:
 - (a) does not object in writing to the proposed modification within 30 days of the notification provided pursuant to paragraph 1; or
 - (b) submits to the modifying Party a written notice withdrawing the objection.

Article 14.5: Further Negotiations

If, after the entry into force of this Agreement, a Party accords to a non-party greater access to its government procurement market than the access that is accorded to the other Party, that Party may, at the request of the other Party, enter into negotiations regarding the extension of the same access to the other Party on a reciprocal basis.

Article 14.6: Committee on Government Procurement

1. Recognising the ongoing work of the WTO Committee on Government Procurement, the Parties shall endeavour to cooperate in pursuing issues of mutual interest.
2. For issues of a bilateral nature, the Parties hereby establish a Committee on Government Procurement, which shall meet as mutually agreed to address matters such as:
 - (a) facilitating cooperation to increase mutual understanding of each Party's government procurement system;
 - (b) exchanging relevant information;
 - (c) exploring market access expansion; or
 - (d) any other matter related to the operation of this Chapter.

3. For the purpose of paragraph 2, each Party hereby designates the following governmental authority as its enquiry point to facilitate communication between the Parties on any matter regarding government procurement:

- (a) for Korea, the Ministry of Trade, Industry, and Energy; and
- (b) for Canada, the Department of Foreign Affairs, Trade and Development,
or their respective successors.

Article 14.7: Entry into Force

This Chapter enters into force on the later of the date of entry into force of the revised GPA for both Parties or the date of entry into force of this Agreement pursuant to Article 23.4 (Entry into Force).
